# Introduction

## ***Purpose and Scope***

Substance abuse treatment data are collected in order to glean insight into the addiction problem, to support program evaluation efforts, to justify and aid management of limited public resources, and to support quality improvement efforts in treatment programming. Such data are used at the state-level in outcomes-based budgeting to measure and track program performance. In addition, the state submits its data to the national Treatment Episode Dataset (TEDS) which is used by policymakers, researchers, and many others to obtain national and regional perspectives on alcohol and drug use and its treatment.

The purpose of this document is to provide guidance on the collection and reporting of substance abuse treatment data to the Department of Mental Health's (DMH) Customer Information Management, Outcomes, and Reporting (CIMOR) system. Such direction is necessary in order to ensure data consistency and overall quality. These guidelines are applicable for data collected on ADA Consumers. Other DMH divisions may implement their own policies and guidelines impacting data collection on their Consumers. When a definition or other data-related characteristic has been agreed upon at the DMH department level, this agreed-upon standard shall take precedence and replace any related item in this document and shall be duly noted.

In the absence of a DMH data standard, ADA will provide a data framework through this document based, in part, on the federal TEDS data standards as well as ADA's own data collection and reporting needs. For data collected as part of screenings (e.g. Mental Health, SATOP), assessments (e.g. ASI, GAIN) or other developed instruments (e.g. GPRA), users are instructed to refer to specific documentation or training materials associated with those tools. Data collected with such instruments are beyond the scope of this document.

This document is not intended to be static and will evolve as data elements are added, deleted, or changed in the CIMOR system and as further clarification is needed by those individuals collecting and reporting ADA data.

## ***Federal ADA Data Collection Activities***

### **The Treatment Episode Dataset and National Outcome Measures (TEDS/NOMS)**

Initiated in 1992, the Treatment Episode Dataset (TEDS) is a data set of demographic and substance abuse information about individuals admitted to treatment. Data are extracted from CIMOR on a periodic basis and sent to the SAMHSA contractor. TEDS was expanded in 1996 to include discharge information and again in 2006 to collect outcome measures. For the state of Missouri, substance abuse treatment providers are required by contract with the State to provide the TEDS-related data to CIMOR so that data may be supplied to TEDS. Much of the TEDS data comes from the CIMOR TEDS data screens.

### **The Inventory of Substance Abuse Treatment Services (I-SATS)**

The Inventory of Substance Abuse Treatment (I-SATS) is a master list of all treatment sites known to SAMHSA. For Missouri, each treatment site is assigned an id of the form MOXXXXXX, where "X" represents an assigned digit. Treatment sites from all state certified agencies are reported to I-SATS. Non-state certified agencies may request to be included in I-SATS.

The TEDS admission and discharge data are reported by treatment site via the I-SATS ID. The I-SATS IDs are maintained in CIMOR for such reporting. For DOC programs and state facilities, the site is obtained via the enrolling provider. For non-DOC programs, contracted providers, the site information is pulled from the CIMOR encounter data. Therefore, it is important to enter accurate site information (i.e. location where Consumer received the service) when entering encounter data in CIMOR.

State-certified treatment agencies notify the State of changes in its treatment site information through an Organization Change form. This form is posted on the ADA website: <http://www.dmh.missouri.gov/ada/provider/forms.htm> (Information for Providers - Provider Forms – Organization Information Change Form.) A completed form is then submitted to the District Administrator for approval and then routed through ADA. Information from the Organization Change form is used to update I-SATS. Contracted treatment providers are required to inform the State of changes in site information through the submission of an Organization Change form. Failure to provide updates will result in inaccurate information in both the State’s system as well as the Federal system.

## **The National Survey of Substance Abuse Treatment Services (N-SSATS)**

The National Survey of Substance Abuse Treatment Services (N-SSATS) (formerly the Uniform Facility Data Set) is an annual census of all substance abuse treatment sites listed in I-SATS. The N-SSATS survey collects information on facility characteristics including programs offered and also on Consumer counts. N-SSATS is generally administered in the spring. A treatment agency will receive a survey form for each treatment site it operates. Agencies have the option of completing the paper form or completing the survey online. All substance abuse treatment agencies contracted with the State are required to participate in N-SSATS. Non-contracted agencies are strongly encouraged to participate.

Results from the N-SSATS are also used to maintain the Substance Abuse Treatment Facility Locator (<http://dasis3.samhsa.gov>.) This is an online resource maintained by SAMHSA for locating drug and alcohol abuse treatment programs. It is the State’s policy, however, to only have state-certified treatment or nationally accredited agencies listed on the facility locator.

## **Substance Abuse Prevention and Treatment Block Grant Application**

Each year the state of Missouri submits the Substance Abuse Prevention and Treatment Block Grant Application. The Substance Abuse Prevention and Treatment Block Grant provides substantial funding for treatment and prevention programs in the state of Missouri. Missouri is awarded roughly \$26 million each year. To support the application for funding, the state must provide SAMHSA with data regarding state need, how the State addresses those needs through its programming, and how successful those programs are in treating and/or preventing substance abuse. Such data include, but are not limited to, number of Consumers served by various demographic breakouts, expenditures by treatment site, and changes in Consumer’s substance use, criminal activity, employment status, and living status at discharge vs. admission. Much of this data are pulled from the State’s administrative system, now CIMOR. The quality of the data in CIMOR will reflect on the state and its application for federal funding.

## ***Reporting ADA Data to CIMOR***

### **Data Requirements for ADA Programs**

Collection of ADA data on primary users is required. For federal reporting, specifically TEDS, all substance treatment programs are required to collect and report ADA data at program enrollment; at level changes, if applicable; and program closure. Substance abuse “treatment” programs, as defined by TEDS, include any programs providing detoxification, residential, day treatment, or outpatient counseling services. Not included are education programs (i.e. DOC STL Education and SATOP Offender Education Program), recovery supports, and intervention services (i.e. Early Intervention Services, SATOP Weekend Intervention Program). ADA TEDS data are no longer required for collateral dependents. For this cohort, Consumer Demographic data are still required.

## Frequency of ADA Data Collection

For ADA treatment programs, ADA data are to be collected from Consumer at admission; at program level changes; and at discharge. Most ADA programs including all CSTAR and Primary Recovery Plus programs have levels of care. The ADA TEDS data must be entered for a level of care before the Consumer can be moved to a subsequent level of care. This includes moving from a basic level to an authorized level. Use of *Unknown's* is not allowed at admission nor when transferring to another level. Also note that:

- It is not acceptable to populate CIMOR data items with bogus data.
- It is not acceptable to cancel out of ADA program assignment and never provide data.
- It is not acceptable to leave pre-populated data unchanged if Consumer's status did change

For program enrollment, none of the fields on the ADA program assignment screen are pre-populated. For program level changes and program closure, CIMOR pre-populates fields that are less likely to change. Regardless of whether or not a field is pre-populated, users are expected to update the data if the Consumer's status has changed.

For discharges, *Unknown's* are allowed in limited circumstances. The provider must make a genuine attempt to collect the ADA data. If at discharge, Consumer has dropped out of treatment and provider was unable to collect the ADA discharge data, use of *Unknown's* at program closure is permitted. If the consumer has completed treatment it is expected that the consumer has completed an exit interview and the majority of the data at program closure screen is known.

## Timeliness of ADA Data Reporting

ADA considers it good practice to submit ADA admission data to CIMOR within five business days of delivering the first service. Likewise, program level changes (if applicable) should be registered within five business days of the effective date of change.

For ADA episodes of care, the discharge date is defined as the date on which the last billable service was delivered. The discharge date and all required ADA discharge data should be entered into CIMOR if Consumer has not received any face-to-face services within the past 60 days. It is likely that standards will be changed in the near future to reflect these good practices.

- It is not acceptable to leave an ADA Episode of Care open indefinitely.
- It is not acceptable to leave an ADA Episode of Care open if it is known that the consumer is not coming back to treatment.

## Feedback

Feedback and/or questions regarding this document may be submitted to the ADA Research Unit: [ADAResearch@dmh.mo.gov](mailto:ADAResearch@dmh.mo.gov). Technical questions regarding CIMOR may be submitted to the Help Desk: [Help.Desk@dmh.mo.gov](mailto:Help.Desk@dmh.mo.gov). The Help Desk can be contacted by phone at (573) 526-5888 or Toll Free 1-888-601-4779. Help Desk hours are Monday – Friday 7:00 am to 5:30 pm.

Register & Admit New Consumer

Local intranet 100%

### Important Notes:

#### On Searching...

When searching for a Consumer, it is recommended to use Consumer's Social Security Number (SSN). If the Consumer is not found with the SSN, then a combination of first name, last name, and birth date should be attempted. Be sure *Include Alias(s)* is selected. If you enter data in all search fields, Consumer will not be found if just one item is different – i.e. Consumer's SSN or middle name may be blank in CIMOR, spelling of name may be different, female Consumer may have a new last name.

#### On admitting a previous DMH Consumer...

If admitting a Consumer and Consumer is found in CIMOR, verify accuracy of Consumer Demographics such as DATE OF BIRTH, SSN, RACE, HISPANIC ORIGIN, and GENDER. Review the data in Consumer Demographics and update as needed. In particular, verify that CIMOR has the Consumer's current address information and that Consumer's military service information is current.

One of the opportunities that CIMOR provides is collecting nicknames and maiden name of female Consumers. It is recommended that when providers are enrolling new Consumers or admitting a previous DMH Consumer to click on the Aliases link and add the nickname or maiden name.

Family Size 1 Living Arrangement 18 & + with Family

## BIRTH DATE

Specifies Consumer's date of birth.

### **Important Notes:**

BIRTH DATE is an important data element used in generating Consumer demographic information. It is also a field used to search for a Consumer in the system. Thus, it is important to input accurate birth dates. Common errors include entering the current date or the current year or transposing digits.

After a Consumer has been registered in CIMOR, navigate to the Consumer face sheet and verify AGE. If AGE is incorrect, navigate to Consumer Demographics and correct BIRTH DATE.

## **FAMILY SIZE**

Indicates number of immediate members in a family living together includes: the Consumer, as well as by marriage or birth, parents, children, step-children, siblings, half-brothers, half-sisters, in-laws, nieces, nephews, uncles, aunts, cousins, grandchildren, and grandparents. It also includes domestic partners and foster children. (*Definition from Poverty Level Criteria*)

### **Important Notes:**

The following individuals are NOT to be included in this number: roomers, boarders, lodgers, roommates, and housemates, and all others who share living costs as well as living quarters primarily to share expenses.

## **FIRST NAME**

Specifies Consumer's first name as it would appear on formal identification (i.e. Driver's License, Birth Certificate, etc.) if available.

### **Important Notes:**

Nicknames can be entered under Alias.

## **GENDER**

Specifies Consumer's gender

*Valid Entries: (OA Standard, Adopted from the ISO 5218)*

**Male**

**Female**

**Male and Female** – i.e. Hermaphrodite

**Male from Female** – i.e. Transgender with current gender status as male

**Female from Male** – i.e. Transgender with current gender status as female

**Not Known** - (Do not use for ADA Consumers)

**Not Specified** - (Limit use for ADA Consumers)

### **Important Notes:**

For federal reporting of ADA data, anything other than *Male* or *Female* will be reported under *Unknown*.

## **HEARING STATUS**

Indicates Consumer's ability to hear.

*Valid entries:*

**Normal Ability to Hear** – No detectable hearing impairment. Able to rely on hearing without difficulty.

**Hard of Hearing** – Mild to Moderate loss of hearing. Some difficulty with relying on hearing as a means of processing auditory information.

**Deaf** – Severe loss of hearing (profound). Unable to rely on hearing and use it as a means of processing auditory information.

**Unknown Hearing Status** - (Limit use for ADA Consumers)

**Important Notes:**

Use of *Unknown Hearing Status* should be very limited. For ADA Consumers, an attempt must be made to get a known hearing status. In the event *Unknown Hearing Status* is used, hearing status information should be updated in CIMOR (Consumer Demographics) when hearing status is identified.

A person's hearing status is generally independent of use of hearing aids.

**LAST NAME**

Specifies Consumer's last name as it would appear on formal identification (i.e. Driver's License, Birth Certificate, etc.) if available.

**Important Notes:**

Female Consumers can have the maiden name entered under the Alias tab.

**LIVING ARRANGEMENT**

Specifies Consumer's usual living environment (i.e. where the Consumer has been living most of the time during the past 30 days.)

*Valid entries:*

**FOR MINOR CONSUMERS**

<18 with Both Parents

<18 with Foster Home

<18 with Independent Living

<18 with Other – (Only use when no other category works for minor Consumer)

<18 with Other Relatives

<18 with Parents / Step Parent

<18 with Private Care Facility

<18 with Public Care Facility

<18 with Single Parents

**FOR ADULT CONSUMERS**

18 & > Homeless Shelter

18 & > Jail / Correctional Facility

18 & > with Adult Foster Care

18 & > with Alone

18 & > with Family

18 & > with Homeless – Includes unsheltered (i.e. living in automobile, abandoned building, on the "street") and emergency shelter (typically < 30 days)

18 & > with Nursing Home

18 & > with Other – (Only use when no other category works for adult Consumer)

18 & > with Other Public / Private

18 & > with Parent or Siblings

18 & > with Spouse Only

18 & > with Transitional – Typically supervised housing 3 months to 1 year.

18 & > with Unrelated Person

## **FOR CONSUMERS OF ANY AGE**

**All ages with CSTAR Residential**

**All ages with CSTAR Supported Housing**

**All ages with Oxford Housing**

**All ages with Refused to Answer**

**Residential Care Facility (RCF)**

**Unknown - (Not allowed on ADA Program Assignment)**

### **Important Notes:**

Watch the age criteria on the selections.

- Do not use a “18 & >...” selection for a Consumer that is a minor.

**NOTE → For the person collecting living arrangement data, it is important to find the best fitting category given the Consumer’s response. Do not throw every response into an *Other* category.**

- Resist using *Other* categories including <18 with Other and 18 & > with Other for ADA Consumers.  
Probe Consumer for more information.

You can only select one response. If the Consumer has been living in more than one place for the past 30 days, count where he/she has been living for 15 or more days, or where they have been living the longest.

## **NUMBER OF CHILDREN IN YOUR CARE**

Number of non-emancipated children, either by birth or adoption, in the Consumer’s care.

### **Important Notes:**

Does not include step-children.

## **SSN**

Indicates a Consumer’s social security number.

### **Important Notes:**

In order to bill ADA for services rendered, a valid social security number must be provided. SSN’s are verified with the Social Security Administration through an overnight process.

## **SSN VERIFY**

Indicates if Consumer’s SSN has been verified through cross-checking with the Social Security Administration. Value is provided by CIMOR and not directly entered by service providers.

*Verification Status Values:*

**SSN is verified** – SSN has been verified with SSA.

**SSN is verified, but individual is deceased** – SSN is verified, NUMIDENT indicates individual is deceased (appears only on queries where Category of Assistance indicates Food Stamp involvement).

**SSN is not in file** – SSN is not in file.

**Surname matched, but DOB not matched** – Surname matched, but DOB did not match NUMIDENT. The DOB on the NUMIDENT will be displayed in the Verified SSN Data field.

**Name does not match** – Name does not match (e.g., SSN submitted for John Smith belongs to Pam Jones); DOB was checked.

**SSN is verified (surname ignored)** – SSN is verified (surname ignored).

**SSN verified MBR or SSR (overlay of '1')** – SSN verified MBR or SSR (overlay of '1').

**SSN verified MBR or SSR (overlay of '3')** – SSN verified MBR or SSR (overlay of '3').

**SSN verified MBR or SSR (overlay of '5')** – SSN verified MBR or SSR (overlay of '5').

**CAN verified instead of SSN** – Verification code for records in which State submitted a CAN (claim account number) instead of an SSN. SSA found the CAN on the MBR, but did not verify the SSN with the NUMIDENT.

**SSN not verified** – The input SSN was not verified. SSA location and verified the SSN shown in the Verified SSN Data field (positions 109-153) of the Type I response).

**Multiple SSNs** – Multiple SSNs are provided in Verified SSN data field, up to five..

**SSN verification requested** – SSN verification requested. Set when a request is sent to SSA for SSN verification so that the user can easily tell when a request is in process.

**Important Notes:**

In order to bill ADA for services rendered, a valid social security number must be provided. SSN's are verified with the Social Security Administration through an overnight process.

## Address

Specifies Consumer's address.

Comments

## ADDRESS TYPE

*Valid Entries:*

**Home** – Physical location

**Mail** – Includes PO Box's

**Billing**

### Important Notes:

All Consumers should have a home address entered. It is important to get good address information on the Consumer.

## ADDRESS LINE 1

## ADDRESS LINE 2

### Important Notes:

Make every attempt to get a home address for Consumer. If Consumer is Homeless, it is acceptable to put "HOMELESS" in ADDRESS LINE 1.

If Consumer has two different addresses (ex. Parents have shared custody), then enter two separate address records rather than trying to put one address on ADDRESS LINE 1 and the other on ADDRESS LINE 2. Mark the primary custodial parent's address as PRIMARY.

If ADDRESS TYPE = *Home*:

- Do not put a PO Box in ADDRESS LINE 1.
- ADDRESS LINE 1 should contain a physical address including a house number and a street name. Make every attempt to get a house number.
- Avoid using the intersection of two roads as the address. Avoid using the name of an apartment complex, motel, office building, or mall in ADDRESS LINE 1.
- Do not include notes in ADDRESS LINE 1 such as “This is his mother’s address”
- It is acceptable to put PO Box’s in ADDRESS LINE 2 (but probably should be entered as a separate address with ADDRESS TYPE=*Mail*.)

## **CITY**

### **Important Notes:**

If Consumer is Homeless, do identify the city where the Consumer has spent most of his/her time in the past 30 days.

Do not abbreviate KC or STL but rather spell ‘Kansas City’ and ‘St Louis’. Be cognizant of spelling.

City entered should be in the county entered (i.e. Columbia, MO in Boone County).

## **COUNTY**

Indicates Consumer’s county of residence.

### **Important Notes:**

Enter a valid Missouri county if Consumer is a Missouri resident. Be cognizant of spelling.

Select Non-resident if Consumer resides outside of Missouri.

Avoid using *Unknown* for ADA Consumers.

If Consumer is Homeless, do identify the county where the Consumer has spent most of his/her time in the past 30 days.

## **FROM DATE**

For ADDRESS TYPE=Home, indicates approximately when Consumer began living at the address.

## **PRIMARY ADDRESS**

Indicates Consumer’s physical address. All Consumers should have a primary home address identified.

## **STATE**

Indicates Consumer’s state of residence.

### **Important Notes:**

If Consumer is a resident of Missouri, enter ‘MO’.

## **TO DATE**

For ADDRESS TYPE=Home, indicates approximately when the Consumer moved or stopped living at the address.

### **Important Notes:**

If one address is terminated by entering a TO DATE, then a new address record should be added with the Consumer's new address. The new address would not typically have TO DATE and it would be checked PRIMARY.

## **ZIP**

For ADDRESS TYPE=Home, indicates Consumer's zip code.

### **Important Notes:**

Try to consistently use 5-digit zip codes.

Valid zip codes can be obtained at the U.S. Postal website search: <http://zip4.usps.com/zip4/welcome.jsp>

**Race(s) \***

☒ White ☐ Asian ☐ Native Hawaiian or Pacific Islander  
☐ Black or African American ☐ American Indian or Alaska Native ☐ Other (Specify)

**Hispanic Origin\***

☒ Not of Hispanic Origin ☐ Mexican ☐ Other Hispanic (Specify)  
☐ Puerto Rican ☐ Cuban

## RACE(S)

Specifies Consumer's race

*Valid Entries: (Definitions from the Federal Register Vol 62, No 210)*

**White** – Origins in any of the original peoples of Europe, the Middle East, or North Africa

**Black or African American** – Origins in any of the black racial groups of Africa

**Asian** – Origins of any of the original people of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

**American Indian or Alaskan Native** – Origins in any of the original peoples of North and South America (including Central America) and who maintain cultural identification through tribal affiliation or community attachment.

**Native Hawaiian or Pacific Islander** – Origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

**Other (Specify)** – (Only to be used if Consumer indicates a race that does not fit into the above categories. Marking *Other* will require user to specify race in text box.)

### Important Notes:

Ethnicity (HISPANIC ORIGIN) and RACE are collected separately as two different data items. This is consistent with data collection methods used by the federal government. Technically, Hispanic is not a race. A person of Hispanic origin may be of any race.

**From the 2000 US Census:** For the U.S. Hispanic population, 47.9% indicated a race of white and 42.2% did not identify with a race category given, indicating “some other race.”

*Overview of Race and Hispanic Origin, U.S. Census Bureau (March 2001).*

Ultimately, a person’s race and ethnicity is what he/she considers himself/herself to be. If a Consumer that is of Hispanic origin does not identify with any given race, it is acceptable to mark *Other* and specify “Hispanic” in the text box.

**NOTE → For the person collecting race / ethnicity data, it is important to find the best fitting category given the Consumer’s response.**

The race field allows for multiple selections for situations when Consumer indicates he/she is of two or more races. In the case of multiple races, mark each appropriate race category.

- Do not mark *Other* and specify “bi-racial.” Probe Consumer for specific races.
- Do not mark *Other* and specify “½ xxx and ½ xxx.” If Consumer indicates race as “White/African American”, mark both *White* and *Black or African American* – do not mark *Other*.

If the Consumer indicates a country of origin, an attempt should be made to place the country in the appropriate continent or sub-continent according to the definitions provided above.

- Resist marking *Other* and specifying country of origin or nationality. If Consumer indicates “Irish descent”, mark *White*.

### HISPANIC ORIGIN(S)

Identifies Consumer’s specific Hispanic Origin. Hispanic or Latino is defined as Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. (*Definition of Hispanic Origin from the Federal Register Vol 62, No 210*)

*Valid Entries:*

#### **Not of Hispanic Origin**

**Puerto Rican** – Of Puerto Rican origin regardless of race

**Mexican** – Of Mexican origin regardless of race

**Cuban** – Of Cuban origin regardless of race

**Other Hispanic (specify)** – (Only to be used if Consumer indicates a Hispanic Origin that does not fit into the above categories. Marking *Other* will require user to specify Hispanic Origin in text box.)

## Important Notes:

Ethnicity (HISPANIC ORIGIN) and RACE are collected separately as two different data items. This is consistent with data collection methods used by the federal government. Technically, Hispanic is not a race. A person of Hispanic origin may be of any race.

**From the 2000 US Census:** For the U.S. Hispanic population, 47.9% indicated a race of white and 42.2% did not identify with a race category given, indicating “some other race.”

*Overview of Race and Hispanic Origin, U.S. Census Bureau (March 2001).*

Ultimately, a person’s race and ethnicity is what he/she considers himself/herself to be.

**NOTE → For the person collecting race / ethnicity data, it is important to find the best fitting category given the Consumer’s response.**

The HISPANIC ORIGIN field does not allow for multiple selections. If Consumer identifies with more than one HISPANIC ORIGIN, it is acceptable to mark *Other* and specify “½ xxx and ½ xxx”

If the Consumer indicates a country of Hispanic origin that is not listed, it is acceptable to mark *Other* and specify country or nationality.

- Marking *Other* and specifying “Columbian” is acceptable.
- Do not mark *Other* and specify *Mexican*. (Mark *Mexican*.)

Currently, ethnicity is collected to distinguish only those groups or sub-groups of Hispanic or Latino origin. Do not enter data on ethnicities other than Hispanic or Latino in the Hispanic Origin data field.

- Do not mark *Other* and specify “German.” (If Consumer indicates only ethnicity is German, then *Not of Hispanic Origin* should be marked.)

## STATUS (Employment)

Identifies the Consumer's current working status.

*Valid entries:*

**Employed – Full Time (35+ hrs/wk)** – Working 35 hours or more each week, including members of the uniformed services.

**Employed – Part Time (< 35 hrs/wk)** – Working fewer than 35 hours each week

**Sheltered Workshop** – Work organized by specialized providers (usually contracted with DESE) to create assembly jobs for people with disabilities

**Supported Employment** - Normally involves a job coach supporting Consumer working in a competitive environment (fast food, grocery, etc.)

**Unemployed – sought last 30 or on layoff** – Looking for work during the past 30 days or on layoff from a job.

**Not in Workforce – Homemaker**

**Not in Workforce – Student (acad. or vocational)** – Includes summer or time between active semesters.

**Not in Workforce – Preschool (Not available in ADA TEDS)**

**Not in Workforce – Retired**

**Not in Workforce – Disabled**

**Not in Workforce – Inmate of Institution (invol)** – Prison or other institution that keeps a person, otherwise able, from entering the labor force.

**Not in Workforce – Other** – Use when above categories do not apply and Consumer has not been actively seeking work in the past 30 days.

### **Important Notes:**

If Consumer indicates “unemployed”, probe to determine why and if Consumer has been actively seeking work. Only use *Unemployed – sought last 30 or on layoff* if the Consumer has been actively seeking work in the past 30 days or is on layoff from a job. If Consumer is unemployed and has not been actively seeking employment, then mark *Not in Workforce – Other*.

If Consumer is employed, then either full-time or part-time should be marked based on the hours worked per week. If Consumer retired from one job but is currently working a part-time job, then mark *Employed – Part-time* and do not mark *Not in Workforce - Retired*.

Seasonal workers are categorized based on their employment status at the time of data collection (i.e. admission, discharge, etc.)

Gambling is not counted as employment.

## Language

The screenshot shows a web browser window titled "Consumer Search - Windows Internet Explorer". The address bar displays "http://cimortest.dmh.state.mo.us/CIMOR/UI/CimorHome.htm". The page header includes the "CIMOR" logo, a "Test" button, and user information: "Consumer Sample DMH ID 4169237", "ADA Sample Contract Provider", and "1/1/2000 - 7/2/2008". The main content area is titled "Add Language" and contains the following fields:

- Language \***: A dropdown menu with "English" selected.
- Proficiency \***: A dropdown menu.
- Primary**: A checkbox labeled "(Yes)".
- Dialect**: A text input field.

At the top right of the form are "Save" and "Cancel" buttons. On the left side of the browser window, a navigation tree is visible with the following items: Consumer, Face Sheet, Demographics, Addresses, Phones, EMail, Citizen/Ethnic, Aliases, Custody, Education, Employment, Identifiers, **Languages** (highlighted), Legal Authority, Marital, and Military/Service.

## PREFERRED LANGUAGE

(Same as LANGUAGE with PRIMARY checked "yes")

Indicates Consumer's primary system of communication (i.e. English, American Sign, Spanish, Korean, etc.)

### [North American]

**American Sign Language (Specify if known – ASL, SEE, PSE, etc.)**

**Spanish (Mexico, Central/South America, Spain)**

**Native American Languages (including Inuit)**

### [Middle Eastern]

**Arabic**

**East Indian/Pakistani Language (Specify if known)**

**Farsi (Persian)**

**Hebrew**

**Lebanese**

**Turkish**

### [African]

**Burundi (Kirundi)**

**Ethiopian**

**Rwandian**

**Somali**

**Swahili**

**Other African Languages (Specify if known)**

### [European]

**Eastern European (Specify if known)** – Includes Albanian, Bulgarian, Croatian, Czech, Estonian, Hungarian, Latvian, Lithuanian, Polish, Romanian, Serbian, Slovak, Slovene (Russian not included - Russian is listed separately)

**French**

**German**

**Greek**

**Italian**

**Northern European/Scandinavian (Specify if known)** – Includes Swedish, Finnish, Danish, Norwegian

**Portuguese**

**Russian**

**[Asian]**

**Cambodian (Khmer)**

**Chinese**

**Japanese**

**Hindi**

**Korean**

**Laotian**

**Philippines**

**Vietnamese**

**Other Asian/Pacific Rim Languages (Specify if known)**

**[Other]**

**Other (Specify Language Description-Required)** – (only use if no other category works)

**Unknown or Unable to Determine** (limit use for ADA Consumers)

### Important Notes:

Use of *Unknown or Unable to Determine* should be very limited. For ADA Consumers, an attempt must be made to identify Consumer's primary language. If unable to determine at admission, then language information should be updated in CIMOR (Consumer Demographics Language) when primary language is identified.

Comments

## MARITAL STATUS

Identifies Consumer's marital status.

*Valid entries:*

**Never Married** – Includes Consumers who have never been married and those whose only marriage was annulled.

**Married** – Has a valid marriage license and living together

**Widowed** – Widowed and not remarried

**Divorced** – Divorced and not remarried

**Separated** – Includes those separated legally or otherwise absent from spouse because of marital discord

**Remarried** – Currently married but has gone through a divorce in the past

**Common Law** – Meets the definition of common law union according to the state of residence. Note the state of Missouri does not recognize common law marriages (RSMo 2006 § 451.040)

**Living as married** – Living as married but without a valid marriage license

**Living Together** - (Not available in ADA TEDS) living together, unspecified

**Unknown** - (Not available in ADA TEDS)

### Important Notes:

For the purpose of ADA data collection and federal reporting of substance abuse data, categories *Married*, *Common Law*, *Remarried*, and *Living as married* are indistinguishable and will typically be reported together under category *Married* (consistent with federal TEDS reporting.) It is recommended that *Living Together* not be used for ADA Consumers.

## Military Service

The screenshot shows a web browser window titled "Consumer Search - Windows Internet Explorer" with the address bar displaying "http://cimortest.dmh.state.mo.us/CIMOR/UI/CimorHome.htm". The page header includes "Consumer Search" and "Live Search" buttons. The main content area is titled "Add Military Service" and contains the following fields:

- Military Status \***: A dropdown menu with "National Guard" selected.
- From Date**: A text input field containing "9/1/2004".
- To Date**: An empty text input field.
- Branch of Service**: A dropdown menu with "Army" selected.
- Rank / Position**: A dropdown menu.

At the top right of the form, there is a "Save" button with a checkmark icon and a "Cancel" button with a red X icon. On the left side of the browser window, a sidebar menu is visible with the following items: Consumer, Face Sheet, Demographics, Addresses, Phones, EMail, Citizen/Ethnic, Aliases, Custody, Education, Employment, Identifiers, Languages, Legal Authority, Marital, **Military Service** (highlighted), Public Health, and Religion.

## MILITARY STATUS

Indicates status of Consumer's military service.

*Valid entries:*

**Active** – (a.k.a Active Duty) Military members who are serving full time in their military capacity.

**Discharged – Honorable** – Discharge from the armed forces with an Honorable discharge.

**Discharged – Medical** – Discharge from the armed forces due to physical or mental condition which has been determined to interfere with the ability to service in the military.

**Discharged - less than honorable** – Includes the following discharges: General, Other Than Honorable, Bad Conduct, Dishonorable.

**Inactive Reserve** – Member of the military reserve units and who is in inactive status.

**Active Reserve** – Member of the reserve units and who is in active status.

**National Guard** – Mark if National Guard regardless of status.

**Veteran** – Meets one of the following:

- Had at least 180 days of active duty service and was honorably discharged or released;
- Had at least 90 days of active duty service which included active duty service during a conflict including Persian Gulf, Panama, Grenada, Lebanon, Vietnam, Korea, and WWII and was honorably discharged or released.
- Served in wartime and received Purple Heart or service-connected disability.

**None** – Consumer has no military service.

### **Important Notes:**

*Military Status* is required for all ADA adult Consumers.

CIMOR allows multiple military service records to be entered if Consumer has more than one. Under Consumer, Military Service, click the ADD button to add additional service records.

## **FROM DATE**

Date Consumer initiated military service. Leave blank if Consumer has no military service.

## **TO DATE**

Date military status changed. Leave blank if military status has not changed or if Consumer has no military service.

## **BRANCH OF SERVICE**

Identifies the Consumer's branch of the Armed Forces of the United States. If none, leave blank.

*Valid entries:*

**Air Force**

**Army**

**Coast Guard**

**Marines**

**Navy**

## **RANK/POSITION**

Identifies the Consumer's rank or position while in military service. If none, leave blank.

*Valid entries:*

**Enlisted** – Below the rank of a commissioned officer or warrant officer.

**Officer** – A commissioned officer.

**Warrant Officer** – An officer in the U.S. Army or Marine Corps who holds a warrant as opposed to a commission.

## Religion

The screenshot shows a web browser window titled "Consumer Search - Windows Internet Explorer" with the URL "http://cimortest.dmh.state.mo.us/CIMOR/UI/CimorHome.htm". The page header includes "Consumer Sample DMH ID 4169237", "ADA Sample Contract Provider 1/1/2000 - 7/2/2008", and "Amy Lister, Sample Contract Provider". The left sidebar contains a tree view with categories like Consumer, Face Sheet, Demographics, Addresses, Phones, EMail, Citizen/Ethnic, Aliases, Custody, Education, Employment, Identifiers, Languages, Legal Authority, Marital, Military Service, Public Health, Religion (highlighted), Special Needs, Benefit/Eligibility, Consumer Res, Contact Log, Screenings, View Assmt, GPRA II, and Episodes of Care. The main content area is titled "Add Religion" and features a "Save" button and a "Cancel" button. The form includes fields for "Religious/Spiritual Affiliation" (a dropdown menu), "From Date", "To Date", "Level of Importance" (a dropdown menu), "Church Name", "Address Line 1", "Address Line 2", "City", "State" (a dropdown menu), "Zip Code", "Church Phone", "Church Contact" (Last Name, First Name, Phone), and a checkbox for "Notify Regarding Consumer's Treatment" with a "(Yes)" label.

## RELIGIOUS SPIRITUAL AFFILIATION

Indicates Consumer's preference in religious affiliation.

See CIMOR for list of selections.

### Important Notes:

Do ask Consumer if he/she has a religious preference. If Consumer indicates "none," enter *None* in RELIGIOUS SPIRITUAL AFFILIATION. If Consumer declines to answer, it is acceptable to leave blank but preference would be to enter *Unknown* in RELIGIOUS SPIRITUAL AFFILIATION.

# Consumer Episode of Care

## Admission

## ADMISSION DATE

Indicates the date of the first face-to-face treatment contact (includes assessments.)

### Important Notes:

ADMISSION DATE and DISCHARGE DATE define the Consumer's Episode of Care.

Program FROM DATE and Program Level FROM DATE should never come before ADMISSION DATE. Programs are contained within Episode's of Care and Program Levels (if applicable) are contained within Programs.

## ADMISSION REASON

Indicates the reason Consumer is being admitted to the program. (*DMH standard definition*)

*Valid entries:*

**Criteria Met:** - Generally applies to Consumers whose admission is voluntary (including voluntary by guardian) and who meet the eligibility criteria to receive services.

**Court Ordered** - A court has issued an order for the Consumer to receive outpatient services.

**Commitment** - A Consumer has been involuntarily admitted to receive inpatient services without a court order (e.g. admission by law enforcement)

**Court Ordered & Commitment** - A court has issued an order for the Consumer to receive inpatient services.

**MRDD Intake and Evaluation** – (Do not use for ADA Episode of Care)

**Administrative Transfer** – Transfer between facilities

### **Important Notes:**

Involuntary commitments, where the individual presents a likelihood of serious harm to self or others as the result of substance abuse, should be marked either as *Commitment* or *Courted Ordered & Commitment*. Involuntary commitments will involve either detox or residential services (9 CSR 30-3). Involuntary commitments require specific forms:

*Commitment* will involve an Application Imminent Harm (DMH 132), an Affidavit (DMH 142), and a List of Witnesses (DMH 137) and is initiated by a Peace Officer or a Qualified Substance Abuse Counselor.

*Courted Ordered & Commitment* will typically involve an Order for 96 Hour Detention (DMH 129, OSCA MH 20) or a 30-day commitment order Judgment for Involuntary Detention (DMH 136, OSCA MH 40).

Codependents should be coded as *Criteria Met*.

Drug Court consumers should be coded as *Criteria Met* (but will need to select *Drug Court* as a REFERRAL SOURCE).

A consumer ordered to treatment by a probation or parole officer should be marked *Criteria Met* (but will need to select *District Parole and Probation* as a REFERRAL SOURCE).

### **DOC ID**

Indicates the Department of Corrections identification number assigned to the Consumer.

### **Important Notes:**

DOC ID is only applicable for those Consumers that have been or are currently under the supervision of the Missouri Department of Corrections.

DOC ID is a required field if the REFERRAL SOURCE is a DOC referral source.

### **INITIAL CONTACT DATE**

Indicates the date the Consumer requested services and was available to receive services for the specified treatment episode. Initial request may have been over the phone or in person.

### **Important Notes:**

If currently not collected, may enter “1/1/01” to signify “unknown/not collected.”

For a Consumer who is in an Episode of Care and is currently receiving services: If a second Episode of Care must be created for legitimate administrative reasons, then enter “1/1/01” on the second Episode of Care to signify “not applicable.”

INITIAL CONTACT DATE is not date that the Consumer first ever contacted the provider if consumer had prior episodes. INITIAL CONTACT DATE refers to the current episode of care. It will be used to calculate ‘days waiting to enter treatment.’ It is intended to capture the number of days the client must wait to begin treatment because of program capacity, treatment availability, admissions requirements, or other program requirements. It should not include time delays caused by client unavailability or client failure to meet any requirement or obligation.

INITIAL CONTACT DATE may never be greater than admission date.

INITIAL CONTACT DATE may be equal to admission date if Consumer was admitted when treatment was first requested.

INITIAL CONTACT DATE may equal the date the Consumer was placed on a waiting list if a treatment slot was not available upon first request.

## **DIVISION**

Consumers receiving substance abuse treatment services will be enrolled under *ADA* Division

## **PROBATION & PAROLE**

If REFERRAL SOURCE = *District Probation and Parole*: Indicates the probation and parole office that referred consumer to services.

If REFERRAL SOURCE = *DOC – Institutional Treatment Program*: Indicates the correctional center that referred consumer to services.

[See CIMOR for specific list.]

### **Important Notes:**

This field only appears if *District Probation/Parole* or *DOC – Institutional Treatment Program* is selected for REFERRAL SOURCE.

Obtain PROBATION & PAROLE from the Missouri Department of Corrections – Community Services Treatment Referral Form. It is important that the correct P&P Office be entered into CIMOR as ADA must generate reports by P&P Office.

## **PROVIDER SITE**

### **Important Notes:**

It is acceptable for the enrolling agency to admit (EOC Admission screen) under the parent agency but encounters (EOC Services screen) must be recorded under the site where services are provided.

Parent (main) sites are of the format “Agency Name” while children (satellite) sites are of the format “Agency Name – City” or “Agency Name – City (Street).” When entering encounter data,

-Do not put encounter data under parent site unless Consumer received services at the parent site.

## **REFERRAL SOURCE**

Describes the person or agency referring the Consumer to the program.

This is a field that is used department wide and must serve many uses. The list of selections for this field is long and selections are not always mutually exclusive. Listed below are the preferred selections to be used for ADA Consumers.

Preferred valid entries for ADA Consumers:

### **CRIMINAL JUSTICE INVOLVEMENT**

**Attorney / Legal Counsel**

**Drug Court**

**Court, Law Enforcement, Corrections** – Other than drug court, DOC program, or SATOP

**District Probation and Parole**

**DOC – Institutional Treatment Program** – (Only for use by DOC programs)

**DOC – Transitional Housing** – (Only for use by DOC programs)

**DOC – Other** – (Only for use by DOC programs)

**Mental Health Court**

**SATOP Screening** – Includes DUI/DWI

**Other, Non-Voluntary** - (Use only if no other criminal justice involvement category works)

**MENTAL HEALTH / HEALTH**

**CMHC** – Community Mental Health Center

**Freestanding ADA** – Another ADA treatment agency

**Private Practice MH Prof** – Private Practice Mental Health Professional

**Non-Psychiatric Physician**

**Other Mental Health Facility**

**Medical Facility** – Medical facility (non-mental health)

**Non-Psychiatric Physician**

**Veterans Administration**

**INDIVIDUAL**

**Self**

**Family, Relatives**

**OTHER**

**Clergy**

**Department of Social Services**

**Former Consumer**

**Help Line** – Includes Missouri's Problem Gambling helpline (888-BETS-OFF) and TEL-LINK (DHSS's referral line for maternal and child health care)

**LEAD Institute** – Leadership Education and Advocacy for the Deaf

**School System**

**Self Help**

**Social or Community Agency (unspecified)**

**Other (Unspecified)** – (Limit use for ADA Consumers)

**Important Notes:**

The above list does not preclude user from using other entries if user has a compelling reason to do so.

- Do not use the selections beginning with "Inpatient..." These selections were requested for use with MRDD Consumers.

If referral to treatment was DOC or Drug Court, in particular, be sure to mark appropriate referral source. ADA must be able to identify DOC and Drug Court referrals for reporting purposes.

Add Commitment Cancel

## ADMISSION TYPE

Describes the type of commitment.

This is a field that is used department wide and the list of selections for this field is long. Not all selections are appropriate for ADA admissions. Listed below are the recommended selections for use for ADA Consumers.

Recommended entries for ADA Consumers:

### **VOLUNTARY - ADULT**

**Vol - Adult – Self:** Adult by Self

**Vol - Adult – Guardian:** Adult by Guardian

**Vol - Adult - Dur Pow Atty:** Adult by Durable Power of Attorney

### **VOLUNTARY - MINOR**

**Vol - Minor – Guardian:** Minor by Guardian

**Vol - Minor – Self:** Minor by Self

**Vol - Minor – Parent:** Minor by Parent

**Vol - Minor - Legal Custodian:** Minor by Legal Custodian

### **INVOLUNTARY – COURT ORDER**

**Invol Civ - Ad Ct Ord:** Adult Court Order

**Invol Civ - Minor Ct Ord:** Minor Court Order

### **INVOLUNTARY – INITIATED BY A PEACE OFFICER**

**Invol Civ - Ad Ct Ord (Peace Off-Imm Harm):** Adult Court Order by Peace Officer (Imminent Harm)

**Invol Civ - Minor Ct Ord (PeaceOff-Imm Harm):** Minor Court Order by Peace Officer (Imminent Harm)

### **INVOLUNTARY – INITIATED BY A QSAP**

**Invol Civ - (Qual ADA Couns-Imm Harm):** by Qualified Alcohol and Drug Abuse Counselor (QSAP) (Imminent Harm)

#### **Important Notes:**

Involuntary commitments, where the individual presents a likelihood of serious harm to self or others as the result of substance abuse, require specific forms:

##### ***Commitment by a Peace Officer***

If the involuntary commitment was initiated by a Peace Officer, then the following forms would be presented:

- an Application Imminent Harm (DMH 132),
- an Affidavit (DMH 142), and
- a List of Witnesses (DMH 137).

If Consumer is an adult – code as *Invol Civ - Ad Ct Ord (Peace Off-Imm Harm)*.

If Consumer is a minor – code as *Invol Civ - Minor Ct Ord (PeaceOff-Imm Harm)*.

##### ***Commitment by the Court***

If the involuntary commitment was court ordered, then the following forms are typically involved:

- **96 hour:** an Order for 96 Hour Detention (DMH 129, OSCA MH 20) or
- **30 day:** Judgment for Involuntary Detention (DMH 136, OSCA MH 40).

If Consumer is an adult – code as *Invol Civ - Ad Ct Ord*.

If Consumer is a minor – code as *Invol Civ - Minor Ct Ord*.

##### ***Commitment by a Qualified Substance Abuse Professional (QSAP)***

If the involuntary commitment was initiated by a QSAP, this would involve the same forms as listed under Peace Officer. This would be coded as *Invol Civ - (Qual ADA Couns-Imm Harm)*.

Codependents should not be marked involuntary commitment.

A Drug Court recommendation or sanction or a Probation/Parole Office mandate do not constitute involuntary commitments.

If commitment status changes from involuntary to voluntary or voluntary to involuntary, then a new commitment needs to be added to CIMOR.

## **COUNTY**

Identifies the county which originated the commitment order, generally found on the commitment forms.

## **FROM DATE**

Start date of commitment.

## **TO DATE**

End date of commitment.

## **PRIMARY COMMITMENT**

For ADA, identifies the current commitment.

### Important Notes:

For an ADA Episode of Care, only one ADA commitment will exist at any given time (Note this may be different for a CPS Episode of Care) but an ADA Episode of Care may have multiple commitments covering different periods of time (i.e. client's status changes from voluntary to involuntary).

## Discharge

Follow Up Type \* None  
Referral Given ☐ (Yes)  
Comments

## DISCHARGE REASON

Reason for closing Consumer's ADA Episode of Care.

*Valid entries:*

**Additional Services Advised, Referral Made** – Satisfactory progress in treatment and is being referred to another ADA agency for continuation of treatment (Note AA/NA is not considered ADA treatment)

**Admitted in Error** – To be used when admission made to wrong Consumer and cannot be deleted because diagnosis has been entered.

**Consumer Completed Treatment** – Consumer has satisfactorily completed his/her individual treatment plan and is not being referred to any other level of ADA treatment. (Note AA/NA is not considered ADA treatment.) Also appropriate for Consumers who have self-terminated after significant engagement in treatment with serious work on treatment plan objectives and reason for discharge as *Completed* is most accurate description of episode.

**Consumer died** - (Also enter deceased date, if known, on Consumer Demographics)

**Consumer dropped out** – Program is willing to continue treatment services but Consumer stopped showing up for or participating in planned ADA treatment services.

**Consumer moved away** – Consumer relocated to area away from treatment provider

**Consumer would not comply with rules** – includes Consumer showing up for treatment under the influence

**Incarcerated-offense during treatment / satisfactory progress** – Consumer incarcerated due to an offense committed while in treatment and Consumer was making satisfactory progress in treatment / recovery.

**Incarcerated-offense during treatment / unsatisfactory progress** – Consumer incarcerated due to an offense committed while in treatment and Consumer was making unsatisfactory progress in treatment / recovery.

**Incarcerated-charge pre-treatment / satisfactory progress** – Consumer incarcerated due to old warrant or charge arising prior to treatment and Consumer was making satisfactory progress in treatment / recovery.

**Incarcerated-charge pre-treatment / unsatisfactory progress** – Consumer incarcerated due to old warrant or charge arising prior to treatment and Consumer was making unsatisfactory progress in treatment / recovery.

**Medical Reasons** – Other health or mental health issues prevent Consumer from continuing ADA treatment. May include transfer to hospital or other health care facility.

**Transferred Consumer** – Unsatisfactory progress in treatment and is being referred to another agency for ADA treatment. (Note AA/NA is not considered ADA treatment)

**Did not meet assessment criteria** – To be used when Consumer is admitted into an ADA EOC but subsequent assessments indicate Consumer does not need ADA treatment.

### **Important Notes:**

**NOTE → For the person entering a discharge reason, it is important to find the best fitting category.**

For the purpose of DISCHARGE REASON, the term *referral* is taken to mean referral to ADA treatment and not to self-help groups or non-ADA treatment. ADA will use data item FOLLOW-UP TYPE to collect information on follow-up recommendations including that for self-help groups or non-ADA treatment.

## **DISCHARGE DATE**

The date of the last service in the Consumer's Episode of Care.

### **Important Notes:**

ADMISSION DATE and DISCHARGE DATE define the Consumer's Episode of Care. Program TO DATE and Program Level TO DATE should never come after DISCHARGE DATE. Programs are contained within Episode's of Care and Program Levels (if applicable) are contained within Programs.

## **FOLLOW UP TYPE**

Indicates type of program/agency recommended to Consumer upon discharge. For ADA Episodes of Care, priority should be given to ADA treatment or ADA support follow up types. If no ADA follow up type is provided, then enter other applicable follow up type.

*Valid entries:*

*...for ADA treatment or support*

**Community Self-Help** – Peer-based groups including AA/NA, Al-Anon, Gambler's Anonymous

**Inpatient Substance abuse** – Detox with hospital supervision

**Outpatient Treatment** – ADA outpatient treatment

**Residential Treatment Center** – ADA residential treatment

**Recovery Support** – Agencies providing non-clinical treatment services supportive of recovery including spiritual counseling, employment coaching, life skills training, etc.

*...for other mental health or medical*

**Administrative Agent**

**Case management**

**Community program** – (Non-ADA)

**Community Psychiatric Rehabilitation Center**

**Inpatient medical facility** – Medical (non-mental health) treatment with hospital supervision

**Inpatient psychiatric facility** – Psychiatric treatment with hospital supervision

**Medication Management, PCP** – Primary care physician

## Medication Management, Psychiatrist

Outpatient Clinic Program – (Non-ADA)

Residential Care Facility – (Non-ADA)

Sheltered Living Situation – Living environments organized to support people with disabilities

Sheltered Work Environment - Work organized by specialized providers (usually contracted with DESE) to create assembly jobs for people with disabilities

Skilled Nursing Facility

...for other

Half-way House

Returned to Penal/Correctional Inst

Other – (Only if no other category is suitable, specify in comments)

None

## DO NOT USE:

Against Medical Advice - (Do not use for ADA Consumers)

Medical Hospital – (Do not use for ADA Consumers)

## Diagnosis

For CSTAR Consumers, clinical diagnosis information must be entered in CIMOR. The CSTAR programs require at least one ADA diagnosis on Axis I.

## Important Notes:

Diagnostic impressions are not allowed in CIMOR. If a diagnostic impression is made, it goes in the Consumer's file but not in CIMOR.

## PRINCIPAL

The diagnosis that was “chiefly responsible for occasioning the evaluation or admission to clinical treatment.” (DSM-IV, American Psychiatric Association 2000.)

### Important Notes:

For a given Episode of Care, only one diagnosis can be marked as PRINCIPAL.

For an ADA Episode of Care and CSTAR program, an ADA diagnosis must be marked as PRINCIPAL. In CIMOR, diagnosis information is associated with the Episode of Care. A co-occurring Consumer can have an ADA principal diagnosis on an ADA episode of care and a CPS principal diagnosis on a CPS episode of care.

## PRIMARY

A primary diagnosis is one that is not dependent on a co-existing illness.

### Important Notes:

For a given Episode of Care, more than one diagnosis can be marked as primary.

Status

## STATUS

Indicates status of Consumer's program

*Valid entries:*

*...for Program Assignment:*

**Assigned** – Use for all new assignments.

*...for Program Closure:*

**Administrative Discharge** – (Reserve for use by Central Office)

**Completed** – Consumer has completed the program goals or has had significant engagement in treatment with serious work on treatment plan objectives so that status as *Completed* is most accurate description

**Eloped** – Program is willing to continue treatment services but Consumer stopped showing up for or participating in planned ADA treatment services.

**Incorrectly assigned** – Incorrect program has been selected.

**Noncompliant** – Consumer would not comply with program/agency rules including Consumer showing up for treatment under the influence.

**On Leave** – (Do not use for ADA Program Assignment.)

**Transferred** – Consumer is being assigned to a different program or referred to a different ADA treatment agency.

**Withdrawn** – Agency is terminating Consumer's treatment due to non-compliance

### **LIVING ARRANGEMENT (defined under Consumer Demographics)**

(Control + Click to follow link)

### **FROM DATE (PROGRAM/LEVEL)**

Indicates start date of the program or program level.

#### **Important Notes:**

Program FROM DATE and Program Level FROM DATE should never come before ADMISSION DATE.  
Programs are contained within Episode's of Care and Program Levels (if applicable) are contained within Programs.

General/Family/Legal School/Work/Support Sub Abuse/Medical Additional Closure Comments

Data Collection Date \*  Veteran Status \*

Living Arrangement \*  Marital Status \*

Number of children in your care \*  Number of children removed from custody \*

Legal Status \*  Currently Pregnant

Number of Arrests in Past 30 Days \*  Number of Lifetime DUI Arrests \*

### CURRENTLY PREGNANT

Indicates if female Consumer is pregnant.

*Valid entries:*

No

Yes

Unknown

Refused to answer

#### Important Notes:

If Consumer's pregnancy status changes during treatment, do update information in this field. Avoid using selection *Unknown*. Do ask female Consumers about pregnancy status.

### DATA COLLECTION DATE

Indicates most recent date in which the Consumer was interviewed and the TEDS data was collected.

#### Important Notes:

TEDS data must be collected at admission; level program level changes, if applicable; and at discharge.

DATA COLLECTION DATE must fall within the PROGRAM FROM DATE and TO DATE and PROGRAM LEVEL FROM DATE and TO DATE, if applicable.

DATA COLLECTION DATE cannot be a future date unless the program level is an authorized level and DATA COLLECTION DATE is equal to the program level FROM DATE.

At program closure, DATA COLLECTION DATE must equal the Program TO DATE.

## LEGAL STATUS

Indicates Consumer's current judicial status.

*Valid entries:*

**Not Applicable** – No current involvement with the judicial system.

**Awaiting Disposition**

**On Probation**

**On Parole**

**Incarcerated**

**Unknown** – (Only allowed at program closure when Consumer PROGRAM STATUS is not *Completed*.)

## **LIVING ARRANGEMENT (defined under Consumer Demographics)**

(Control + Click to follow link)

## **MARITAL STATUS (defined under Consumer Demographics)**

(Control + Click to follow link)

### **Important Notes:**

CIMOR will prompt user if Consumer's age < 18 and MARITAL STATUS is anything other than NEVER MARRIED.

## NUMBER OF ARRESTS IN PAST 30 DAYS

Indicates number of arrests Consumer has had in the past 30 days. Data item is collected at admission; level program level changes, if applicable; and at discharge..

*Valid entries:*

**0, 1, 2, ..., 96 (Listed separately)**

**Unknown (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*).**

## **NUMBER OF CHILDREN IN YOUR CARE (defined under Consumer Demographics)**

(Control + Click to follow link)

### **Important Notes:**

Does not include step-children.

If a Consumer has more than 20 children in his/her care, select 20.

## NUMBER OF CHILDREN REMOVED FROM CUSTODY

Number of children that Division of Family Services has removed from Consumer's custody.

*Valid entries:*

**0, 1, 2, ..., 20 (Listed separately)**

**Unknown – (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*)**

### **Important Notes:**

Does not include step-children.

## NUMBER OF LIFETIME DUI ARRESTS

Indicates number of DUI arrests Consumer has had over the course of his/her lifetime. Data are collected at admission, may be updated as needed.

*Valid entries:*

**0, 1, 2, ..., 96 (Listed separately)**

## VETERAN STATUS

Indicates whether Consumer has ever served in the Uniformed Services.

*Valid entries:*

**Yes**

**No**

### Important Notes:

“Armed Forces” include Army, Navy, Air Force, Marines, Coast Guard, Public Health Service Commissioned Corps, Coast and Geodetic Survey, etc.)

CIMOR will prompt user if Consumer’s age < 18 and VETERAN STATUS=yes.

General/Family/Legal School/Work/Support Sub Abuse/Medical Additional Closure Comments

Education \* Grade Point Average

Special Education \* Enrolled in School or Job Training \*

Employment Status \* Occupation \*

Income Source \* Consumer Weekly Income \*

Household Monthly Income Amount \*

Public Assistance \*

☐ None ☐ Other Subsidized Housing

☐ Black Lung Disease Benefits ☐ Psychiatric Services

☐ College Work/Study Payments ☐ Public Housing

☐ Food Stamps ☐ Railroad Retirement Benefits

## CONSUMER WEEKLY INCOME

Indicates weekly income of Consumer only even if Consumer is a minor.

*Valid entries:*

**None**

**\$1 - \$49**

**\$50 - \$99**

**\$100 - \$149**

**\$150 - \$199**

**\$200 - \$299**

**\$300 - \$499**

**\$500 and over**

**Unknown** – (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*.)

### **Important Notes:**

Note difference between WEEKLY INCOME and MONTHLY INCOME. WEEKLY INCOME refers to Consumer's income. MONTHLY INCOME refers to household income. (...and WEEKLY INCOME refers to a shorter timeframe.)

## **EDUCATION (STATUS)**

Specifies the highest school grade the Consumer has completed in formal education. This can include education received while incarcerated.

*Valid entries:*

**Kindergarten**

**1<sup>st</sup> Grade – 12<sup>th</sup> Grade** - (Listed separately)

**GED**

**1<sup>st</sup> Year College – 4<sup>th</sup> Year College** - (Listed separately)

**Graduate College**

**1 Yr Graduate**

**3 Yr Graduate**

**Doctorate Degree**

**Master Degree**

**No Academic**

**Tech Education in addition to High School**

**Tech Education in lieu of High School**

**Unknown** - (Should not be used for ADA program assignment)

## **EMPLOYMENT (STATUS) (defined under Consumer Demographics)**

(Control + Click to follow link)

### **Important Notes:**

CIMOR will prompt user if Consumer's age < 16 and EMPLOYMENT STATUS is *full-time* or *part-time*.

## **ENROLLED IN SCHOOL OR JOB TRAINING**

Indicates if Consumer is enrolled in school or job training.

*Valid entries:*

**No** – Not currently engaged in any educational type activities

**Yes** – Includes formal academic education (elementary, secondary, college), GED classes, adult basic education, adult continuing education (non-credit), vocational school or training that is a certificate or diploma program,

**Unknown** - (Not allowed on ADA Program Assignment)

## GRADE POINT AVERAGE (GPA)

Indicates Consumer's Grade Point Average (GPA) for the most recent single term. GPA is required for all CSTAR Adolescent primary Consumers.

*Valid entries:*

Grade	4- Point Scale	11- Point Scale
A+ / A	4	11
A-	3.67	10
B+	3.33	9
B	3	8
B-	2.67	7
C+	2.33	6
C	2	5
C-	1.67	4
D+	1.33	3
D	1	2
D-	0.67	1
F	0	0

**Not Applicable** – Use for 19 year-old consumers or adolescents who already have a GED but are enrolled in the CSTAR Adolescent Program.

**Unknown** - (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*.)

### Important Notes:

The intent of this data item is to capture information on current school performance. Do not report a GPA based on grades earned over multiple years (i.e. Cumulative GPA.)

Report the GPA for the current quarter if known; otherwise, report GPA for the most recent completed quarter (or other reporting term) as indicated on student's most recent report card.

## HOUSEHOLD MONTHLY INCOME AMOUNT

Indicates gross monthly income from all sources as shown on the most current Standard Means Test. Includes income sources from Consumer and Spouse (if applicable) or Parents if parents are the financially responsible party. Sources of income includes employment (wages, salary, tips, bonuses, self-employment), unearned income (rental income, dividends, interest), child support, retirement / pensions / social security / other benefits (i.e. VA), alimony, assistance (unemployment, SSI, worker's comp)

## INCOME SOURCE

Indicates Consumer's principal source of financial support. For children under 18, this field indicates the parent's primary source of income support.

*Valid entries:*

**[Employment]**

Employment

Self Employment

**[Retirement]**

**Civil Service Retirement**

**Military** – Military Retirement Allotment

**RR** – Railroad Retirement

**SSA** – Social Security Benefits

**Retirement** – Other Retirement

**[Other Benefits / Assistance]**

**VA** – Veterans Administration Benefits

Disability

**SSDI** – Social Security Disability Income

**SSI** – Supplemental Security Income

**Work Comp** – Workers Compensation

**Public Assistance** – State

**Unemployment**

**Disability** – Disability Income from source other than Social Security Disability Income and Veterans Administration Benefits Disability.

**[Other Sources]**

**Alimony** – Maintenance Alimony

**Child Support**

**Family/Friends**

**Illegal**

**UEI** – Unearned (Dividends, Interest, Rental Income)

## **OCCUPATION**

Indicates Consumer's current occupation (i.e. "What kind of work is Consumer doing?")

*Valid entries:*

**Not applicable** – Includes *Unemployed* and *Not in Labor Force* (i.e. homemakers, students, preschool, retired, disabled, those that are not employed and have not been seeking work in the past 30 days).

**Clerical Workers** – Typically, office support work, includes secretaries and administrative assistants

**Craftsman** – Includes carpenters, construction workers, etc.

**Farm Labors** – Typically, non-skilled agricultural workers

**Farmer & Farm Mgr** – Owner or manager of farm / agricultural business.

**Laborers, Non-Farm** – Typically non-skilled, includes stockers, drivers, factory assembly workers, etc.

**Managers, Officials, Proprietors** – Typically involves managerial or administrative work, includes administrators, office executives, business owners, elected officials, etc.

**Military Service**

**Operatives (Mech Indus)** – Typically mechanical work, includes auto mechanics, factory mechanics, appliance repair, etc.

**Professional** – Typically work requiring a license, certification, or degree, includes nurses, accountants, teachers, engineers, dentist, doctors, veterinarians, etc.

**Sales Workers** – Automobile sales, retail sales, etc.

**Service and Household Workers** – Typically non-skilled, includes janitors and building cleaners, food service workers, cashiers, etc.

**Other** – (Can be used for ADA if no other category works)

**Important Notes:**

If Consumer has more than one occupation, identify the one that he/she spends the most time doing.

OCCUPATION cannot be *Not Applicable* if EMPLOYMENT STATUS is *full-time* or *part-time*.

CIMOR will default to *Not Applicable* if EMPLOYMENT STATUS is of the type *Not in Workforce*. User may change from the default value as needed.

**PUBLIC ASSISTANCE**

Public assistance and social insurance programs Consumer is currently receiving. Consumer may be in more than one PUBLIC ASSISTANCE program at a time.

*Valid entries:*

**None** – (If selected, cannot select any others) Consumer is not receiving any public assistance and not in any social insurance programs.

**Temporary Assistance to Needy Families – (TANF)**

**Food Stamps**

**General Relief**

**Medicaid**

**Supplemental Security Income**

**Low-Income Home Energy Assistance**

**Legal Services For the Poor**

**In-Home Supportive Services**

**Grants to Assist Victims of Domestic Violence**

**Refugee Assistance**

**Substance Abuse Treatment Assistance**

**Psychiatric Services**

**Mental Retardation and Development Disabilities**

**School Lunch Assistance**

**Section 8 Housing Payments**

**Section 8 Housing Vouchers**

**Public Housing**

**Other Subsidized Housing**

**Higher Education Grants**

**Higher Education Loans**

**College Work/Study Payments**

**Head Start**

**Trade Adjustment Assistance**

**Missouri Crime Victim Compensation**

**Job Opportunities and Basic Skills Training**

**Veteran Compensation**

**Medicare**

**Social Security Retirement Benefits**

**Social Security Disability Benefits**

**Social Security Survivors' Benefits**

**Black Lung Disease Benefits**

**Unemployment Compensation**

**Railroad Retirement Benefits**

**Worker's Compensation**

**Veterans' Pensions**

**Government Pensions**

**Other** – (Use only if none of the other categories work.)

**Important Notes:**

If Consumer has multiple types of public assistance, mark all that apply. This field allows for multiple selections. If *None* is marked, then no other selections can be made.

**SPECIAL EDUCATION**

Indicates the level of Consumer's special education requirements.

*Valid entries:*

**Special Education (Unspecified)**

**Trainable Mental Retardation (State Schools for the Retarded)**

**Educable Mental Retardation**

**Remedial Reading**

**Elementary and Secondary Special Education**

**Special School**

**Speech Therapy**

**Learning Disabled Classroom**

**Behavior Disordered Classroom**

**No Special Education**

**Resource Room**

**Special Education Testing Suggested**

## Sub Abuse/Medical

The screenshot shows the CIMOR web application interface. The browser window title is 'Consumer Search - Windows Internet Explorer'. The address bar shows 'http://cimortest.dnh.state.mo.us/CIMOR/UI/CimorHome.htm'. The page has a navigation menu on the left with options like 'View Asmt', 'GPRA II', 'Episodes of', 'Admission', 'Assessment', 'ATR Vou', 'Authoriza', 'Bed Assi', 'Commitr', 'Court Or', 'Diagnosis', 'Discharge', 'EOC Sur', 'Female F', 'Furlough', 'Medical F', 'ISL Budg', 'ORYX Ini', 'ORYX Di', 'Problem', 'Program', 'Services', 'Change Organiz', 'My Organization', 'CO Functions', 'EMT', 'Administration', and 'Reports'. The main content area is titled 'Program Level 1 Basic' and 'Program Level From Date 01/01/2010'. The 'Sub Abuse/Medical' tab is selected. The form includes the following fields:

- Provider Site \* (dropdown)
- County where Services will be Received \* (dropdown)
- Substances \*
  - Substance Abused \* (dropdown)
  - Route \* (dropdown)
  - Frequency of Use in Past 30 Days \* (dropdown)
  - Age of First Use \* (dropdown)
- Primary \* (dropdown)
- Secondary \* (dropdown)
- Tertiary \* (dropdown)
- Prior Detox \* (dropdown)
- Prior Residential \* (dropdown)
- Prior Outpatient \* (dropdown)
- Primary Source of Payment \* (dropdown)
- In the past 30 days, how many days did consumer attend self-help programs? \* (dropdown)
- Medication Prescribed for Addiction Treatment \*
  - ☐ None
  - ☐ Disulfiram
  - ☐ Other Antagonist
  - ☐ Acamprosate calcium (Campral)
  - ☐ Laam
  - ☐ Others
  - ☐ Anti-Depressants
  - ☐ Methadone
  - ☐ Propoxyphene - N
  - ☐ Buprenorphine
  - ☐ Naloxone
  - ☐ Tranquilizers (Valium, Librium, etc.)
- Primary Health Insurance \* (dropdown)
- Developmental Problem \* (dropdown)
- Psychological Problem \* (dropdown)

## COUNTY WHERE SERVICES WILL BE RECEIVED

Indicates county where Consumer will receive ADA services.

*Valid entries:*

See CIMOR for actual list. Acceptable entries include any Missouri county name.

## DEVELOPMENTAL PROBLEM

Indicates if Consumer has a developmental problem

### Important Notes:

“Developmental Problem” is to include developmental disabilities such as mental retardation, cerebral palsy, head injuries, autism, epilepsy, and certain learning disabilities. Such conditions must have occurred before age 22, with the expectation that they will continue.

## MEDICATION PRESCRIBED FOR ADDICTION TREATMENT

Indicates medication that is prescribed as part of Consumer’s substance abuse treatment plan.

*Valid entries:*

**None Prescribed**  
**Naltrexone**  
**Naloxone**  
**Vivitrol**  
**Other Antagonist**  
**Methadone**  
**Laam**

**Buprenorphine**  
**Suboxone**  
**Acamprosate calcium (Campral)**  
**Propoxyphene-N**  
**Cyclazocine**  
**Disulfiram** – (Antabuse)  
**Tranquilizers (Valium, Librium, etc.)**  
**Anti-Depressants**  
**Others** – (Only use if no other category is appropriate)

**Important Notes:**

The intent of this field is to capture current status. Historical data should not be reported here.

MEDICATION PRESCRIBED FOR ADDICTION TREATMENT may be prescribed by someone other than the enrolling agency. The intent is to capture what medications are part of the Consumer's treatment plan and not who prescribed the medications.

Be sure to update MEDICATION PRESCRIBED FOR ADDICTION TREATMENT if change occurs during the course of Consumer's Episode.

This field is capturing information on pharmacological treatment. Do not indicate substance abused here.

If Consumer is currently taking more than one medication, mark all that apply. This field allows for multiple selections. If *None* is marked, then no other selections can be made.

**PRIMARY HEALTH INSURANCE**

Indicates Consumer's primary health insurance (if any). The insurance may or may not cover alcohol or drug treatment.

Valid entries:

**Blue Cross/Blue Shield**  
**Health Maintenance Organization**  
**Other Private Insurance**  
**Medicare**  
**Medicaid**  
**Other** (e.g. TRICARE, CHAMPUS)  
**None**

**PRIMARY SOURCE OF PAYMENT**

Indicates primary source of payment for this ADA treatment.

*Valid entries:*

**Blue Cross / Blue Shield**  
**Medicaid**  
**Medicare**  
**Other Gov** – Other Government Payments  
**Workers Comp** – Workers Compensation  
**Other Insurance** – Other Health Insurance Companies  
**Self Pay**  
**No charge** – Charity, Special Research or Teaching  
**Other** – (Only use if no other category works)

**Important Notes:**

If multiple payment sources exist, select the payment source with the largest percentage. When payment percentages are equal, then select either source.

*Other Gov* payment includes state general revenue and federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funding streams (i.e. non-Medicaid POS funding.)

**PRIOR DETOX**

Indicates the number of previous Detox treatment episodes that Consumer has received in any alcohol and drug program.

*Valid entries:*

**0** – No prior detox treatment.

**1, 2, ..., 4 (Listed separately)**

**5 or more**

**Important Notes:**

Do not count the current treatment Episode.

**PRIOR RESIDENTIAL**

Indicates the number of previous residential treatment episodes that Consumer has received in any alcohol and drug program.

*Valid entries:*

**0** – No prior detox treatment.

**1, 2, ..., 4 (Listed separately)**

**5 or more**

**Important Notes:**

Do not count the current treatment Episode.

**PRIOR OUTPATIENT**

Indicates the number of previous outpatient treatment episodes that Consumer has received in any alcohol and drug program.

*Valid entries:*

**0** – No prior detox treatment.

**1, 2, ..., 4 (Listed separately)**

**5 or more**

**Important Notes:**

Do not count the current treatment Episode.

**PROVIDER SITE**

Indicates site at which consumer will receive services.

**Important Notes:**

If consumer will be receiving services from multiple sites, select the site where the majority of services will be received.

Be sure to update PROVIDER SITE when transferring Consumer to a different program level at a different location.

Do not confuse PROVIDER SITE on the Episode Admission and PROVIDER SITE on ADA TEDS:

Episode Admission: Parent organization may be selected for all Consumers.

ADA TEDS: Must select actual site where services will be delivered.

## PSYCHOLOGICAL PROBLEM

Identifies whether Consumer has a psychological problem independent of his/her alcohol or drug use problem. Consumer may or may not be receiving treatment for psychological problem. Consumer's psychological problem may or may not be under control.

*Valid entries:*

**No**

**Yes**

### Important Notes:

For the purpose of this data item, "psychological problem" may include schizophrenia and other psychotic disorders, mood disorders, anxiety disorders, somatoform disorders, factitious disorders, dissociative disorders, sexual and gender identify disorders, eating disorders, sleep disorders, impulsive-control disorders, adjustment disorders, personality disorders, and disorders usually first diagnosed in infancy, childhood, or adolescence. (DSM-4, American Psychiatric Association 2000)

If during the course of treatment, Consumer is diagnosed with a psychiatric disorder, be sure to update data item PSYCHOLOGICAL PROBLEM.

## SUBSTANCES ABUSED

This section collects data on Consumer's substance problems. Each substance ranking (*Primary, Secondary, Tertiary*) has associated fields for route of administration, frequency of use, and age of first use. The ranking is to identify an ordering of Consumer's substance problem based on the impact to Consumer's quality of life. Determination should be based on a combination of factors such as the relative importance of the substance in causing the Consumer to seek treatment, the frequency and intensity of the abuse, the substance that caused the person the most problems, etc. Primary substance data must be provided for a primary user (non-collateral) Consumer. Secondary and tertiary data must be collected from Consumer.

### *Age of First Use*

Indicates actual or approximate age Consumer first used substance identified in the SUBSTANCE data field.

*Valid entries:*

**0, 1, 2, ..., 96** (Listed separately)

### Important Notes:

AGE OF FIRST USE cannot be greater than Age at Admission.

If Substance Abused is *None*, then AGE OF FIRST USE will default to *Not Applicable*.

### *Frequency of Use in Past 30 Days*

Indicates number of days in the last 30 that Consumer reported any use at all of the substance identified in the SUBSTANCE data field.

*Valid entries:*

**0, 1, 2, ..., 30** (Listed separately)

**Unknown** – (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*)

**Important Notes:**

The response cannot be more than 30 days.

Ask specifically about behavior in “the past 30 days.” Do not use “in the past month” as a substitute – this may lead to confusion and inaccurate responses. Example: If data are collected from Consumer on May 15<sup>th</sup>, the past 30 days covers April 16 to May 15.

If SUBSTANCE ABUSED is *None*, then AGE OF FIRST USE will default to *Not Applicable*.

**Route**

Identifies the typical way in which Consumer administers SUBSTANCE.

*Valid entries:*

**Oral** – Includes ingesting, swallowing, drinking, or dissolving drugs in the mouth or sublingually.

**Smoking** – Includes smoking the drug on its own (in a pipe, bong, etc.) and putting the drug in a tobacco cigarette to be smoked.

**Inhalation** – Includes the deliberate concentration and inhalation of common household products to get high (“Huffing,” “Bagging,” “Sniffing,” “Snorting”). Also includes lighting or heating the drug and inhaling the resulting smoke.

**IV Injection** – Includes injecting drugs into veins.

**Non-IV Injection** – Includes injecting drugs into muscles and subcutaneous injecting (“skin popping”).

**Not Applicable** – Route will auto-populate with ‘Not Applicable’ when ‘None’ is selected for the secondary and/or tertiary drug.

**Important Notes:**

In cases where two or more routes are routinely used, the most serious route should be identified. Order of severity from most to least: *IV Injection, Non-IV Injection, Smoking, Inhalation/Sniff, Oral*.

Make sure the ROUTE goes with the appropriate SUBSTANCE (i.e. no inhaling alcohol or injecting tobacco.)

If SUBSTANCE ABUSED is *None*, then ROUTE will default to *Not Applicable*.

**Substance Abused**

Indicates substances abused by Consumer.

*Valid entries:*

[Alcohol]

**Alcohol**

[Cocaine]

**Crack** – Includes freebase cocaine – chips, chunks, or rocks

**Other Cocaine** – Includes powder form (Cocaine hydrochloride.)

### [Marijuana]

**Marijuana / Hashish / THC** – Includes Marinol (contains THC) if non-prescribed.

### [Opiates]

**Heroin**

**Morphine (Kadian, Avinza, MS Contin)**

**Fentanyl (Duragesic)**

**Diphenoxylate (Lomotil)**

**Non-prescription Methadone** - (Do not report MEDICATION PRESCRIBED FOR ADDICTION TREATMENT here. Report substance abused.)

**Codiene (700)**

**D-Propoxyphene (Darvon)**

**Oxycodone (Oxycontin)**

**Meperidine HCl (Demerol)**

**Hydromorphone (Dilaudid)**

**Pentazocine (Talwin)**

**Hydrocodone (Vicodin)**

**Tramadol (Ultram)**

**Other Opiates and Synthetics**

### [Hallucinogens]

**PCP or PCP Combinations**

**LSD**

**Other Hallucinogens**

### [Stimulants]

**Methamphetamine / Speed**

**Amphetamine (Adderall, Dexedrine)**

**Methylenedioxymethamphetamine (MDMA, Ecstasy)**

**Methylphenidate (Ritalin)**

**Other Amphetamines**

**Other Stimulants**

### [Benzodiazepines]

**Alprazolam (Xanax)**

**Chlordiazepoxide (Librium)**

**Clorazepate (Tranzene)**

**Diazepam (Valium)**

**Flurazepam (Dalmane)**

**Lorazepam (Ativan)**

**Triazolam (Halcion)**

**Estazolam (ProSom)**

**Flunitrazepam (Rohypnol)**

**Clonazepam (Clonopin, Rivotril)**

**Other Benzodiazepines**

### [Tranquilizers]

**Meproamate (Miltown)**

**Other Tranquilizers**

**[Sedatives]**

**Phenobarbital**

**Secobarbital / Amobarbital (Tuinal)**

**Secobarbital (Seconal)**

**Mephobarbital (Mebaral)**

**Pentobarbital Na (Nembutal)**

**Other Barbiturate Sedatives**

**Ethchlorvynol (Placidyl)**

**Glutethimide (Doriden)**

**Methaqualone**

**Other Non-Barbiturate Sedatives**

**Other Sedatives**

**[Inhalants]**

**Aerosols** - Sprays that contain propellants and solvents. Includes spray paints, deodorant and hair sprays, vegetable oil sprays for cooking, and fabric protector sprays.

**Nitrites** – Includes cyclohexyl nitrite, isoamyl (amyl) nitrite, isobutyl (butyl) nitrite (slang: “poppers,” “snappers”)

**Solvents** – Includes paint thinners and removers, dry-cleaning fluids, degreasers, gasoline, glues, correction fluids, and felt-tip marker fluids.

**Anesthetics** – Includes nitrous oxide, ether, halothane, chloroform

**Other Inhalants**

**[Other drugs]**

**Diphenhydramine**

**Over-the-counter**

**Diphenylhydantoin Phenytoin (Dilantin)**

**GHB/GBL (Gamma-Hydroxybutyrate, Gamma-Butyrolacton)**

**Ketamine (Special K)** – Also “vitamin K”

**Other Drugs** – (Use if no other category works.)

**Tobacco** – (Valid only as secondary or tertiary.) – Includes cigarettes, cigars, and pipe, chewing tobacco.

[None]

**None** – only allowed for *Secondary* or *Tertiary*.

**Important Notes:**

Primary, Secondary, and Tertiary substance information must be collected from Consumer. An attempt should be made to get a comprehensive picture of Consumer’s use of substance(s). If Consumer has no *Secondary* substance, then enter *None* for SUBSTANCE for ranking *Secondary*. If Consumer has no *Tertiary* substance, then enter *None* for SUBSTANCE for ranking *Tertiary*. If *None* is indicated for SUBSTANCE, CIMOR will populate NUMBER OF DAYS OF USE IN PAST 30 DAYS, ROUTE, and AGE OF FIRST USE with *Not Applicable*.

The same SUBSTANCE cannot be listed as one more than one ranking (*Primary, Secondary, Tertiary*).

Unprescribed use of prescription medication or misuse of prescribed medication (e.g. taking more than prescribed) should also be recorded.

This is the substance list used for the federal TEDS reporting (with the exception of the Tobacco category.) While other tools (i.e. ASI, GPRA) may use broader drug categories, be as specific as possible in identifying Consumer's substance problem(s) for this data item.

Use *Other Drugs* as a last resort – if none of the other categories are appropriate.

## IN THE PAST 30 DAYS, HOW MANY DAYS DID CONSUMER ATTEND SELF-HELP PROGRAMS

Indicates the number of days within the past 30 days that the consumer has attended a self-help program. This includes attendance at AA, NA, Oxford House, Secular Organization for Sobriety, Women for Sobriety and other self-help/mutual support groups focused on recovery from substance abuse and dependence.

Valid entries:

**0, 1, 2, ..., 30 (listed separately)**

**Unknown** (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*.)

Program ADA CSTAR General Adult Enhanced Status Withdrawn

Program Level Closure Program Level From Date

General/Family/Legal	School/Work/Support	Sub Abuse/Medical	Additional Closure	Comments
Number of children returned to consumer's custody from DFS? *				
How many live births during treatment? *				
Of the live births during treatment, how many were drug free births? *				
What is the primary reason for infant's drug/alcohol exposure? *				
HIV Test *				

## HIV TEST

Indicates the results of Consumer's last HIV test.

*Valid entries:*

**HIV Positive**

**AIDS/ARC Diagnosis** - (AIDS / AIDS-related complex)

**HIV Negative**

**HIV Status Unknown**

**Not Collected**

## NUMBER OF CHILDREN RETURNED TO CUSTODY

Number of children that Division of Family Services has returned to your custody.

*Valid entries:*

**0, 1, 2, ..., 20 (Listed separately)**

**Unknown** – (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*.)

### **Important Notes:**

Does not include step-children.

Data is collected at Program Closure only.

NUMBER OF CHILDREN RETURNED TO CUSTODY cannot be greater than NUMBER OF CHILDREN REMOVED FROM CUSTODY.

If a consumer had more than 20 children returned to his/her custody, then select 20.

## TREATMENT BIRTHS

### ***Number of Live Births***

Number of live births given by pregnant Consumer during the course of treatment.

*Valid entries:*

**0, 1, 2, ..., 10 (Listed separately)**

**Unknown** – (Valid only at Program Closure when Consumer PROGRAM STATUS is not *Completed*.)

### **Important Notes:**

Data is collected at Program Closure only.

Make every attempt to collect this data if Consumer is a pregnant female. This is an important outcome measure for ADA. Reserve use of *Unknown* for rare occasions when information cannot be obtained.

If Consumer gives birth to living twins, then record “2” for NUMBER OF LIVE BIRTHS.

### ***Number of Drug Free Births***

Number of births given by pregnant Consumer while in substance abuse treatment where illicit drugs were not detected in newborn drug screening.

*Valid entries:*

**0, 1, 2, ..., 10**

**Unknown**

### **Important Notes:**

Data is collected at Program Closure only.

NUMBER OF DRUG FREE BIRTHS must be less than or equal to the NUMBER OF LIVE BIRTHS. Reserve use of *Unknown* for rare occasions when information cannot be obtained.

Make every attempt to collect this data if Consumer is a pregnant female. This is an important outcome measure for ADA.

### ***Exposure Reason***

Reason for newborn drug exposure.

*Valid entries:*

**Entered treatment and delivered shortly thereafter**

**Tested positive for a drug with a long half-life**

**Relapse**

**Unknown**

### **Important Notes:**

Data is collected at Program Closure only.

EXPOSURE REASON is required if NUMBER OF DRUG FREE BIRTHS is less than the NUMBER OF LIVE BIRTHS.

### **Comments**

The screenshot shows a web browser window titled "Consumer Search - Windows Internet Explorer" with the URL "http://cimortest.dmh.state.mo.us/CIMOR/UI/CimorHome.htm". The page displays the "CIMOR" logo and a navigation menu on the left. The main content area is titled "Add TEDS Data" and includes a "Save" button and a "Cancel" button. Below this, there are fields for "Navigating From" (List Teds History), "Program" (ADA CSTAR General Adult Enhanced), "Status" (Assigned), and "Program Level" (1 Basic). A "Program Level From Date" field is set to "01/01/2010". At the bottom, there are tabs for "General/Family/Legal", "School/Work/Support", "Sub Abuse/Medical", "Additional Closure", and "Comments". The "Comments" tab is selected, showing a large text area for entering comments.

### **COMMENTS**

Textbox may be used to add any pertinent notes regarding Consumer's TEDS data, treatment planning or progress, etc.
